WHO WE ARE

MISSION · VISION · VALUES

Justice should never depend on who you are, what you know, or what you can afford.

At the **Undergraduate Access to Justice (A2J)**, we believe that stronger communities begin with informed communities. Access to justice is more than the legal system, it is the ability to understand your rights, access support, advocate for yourself, and build a future where every individual has the opportunity to be heard.

As a **Students' Union registered club at the University of Calgary**, A2J was founded with a vision to create meaningful, lasting change beyond the classroom. We are bringing together students, professionals, organizations, and community members who share one common purpose: to break down barriers, foster legal awareness, and create opportunities that strengthen the communities we serve.

We believe that real change happens when people come together. Through education, collaboration, volunteerism, and community initiatives, we are building a movement that inspires leadership, empowers individuals, and creates lasting impact for generations to come.

This is more than a student organization. It is a growing community of people who believe that knowledge should be shared, opportunities should be accessible, and justice should never be out of reach.

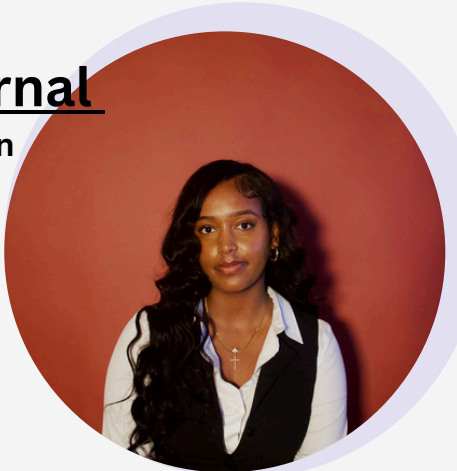

MEET OUR EXECUTIVE TEAM

Our leadership team brings together dedicated students committed to advancing legal literacy, civic engagement, and community service. Each member contributes unique expertise and passion to build a stronger, more informed community at the University of Calgary.

WHY PARTNER WITH ACCESS 2 JUSTICE

04/09

COMMUNITY IMPACT & BRAND VISIBILITY

Across 8+ signature events, Access 2 Justice will bring together undergraduate students, professionals, community leaders, organizations, and Calgarians who believe that legal literacy should never be reserved for a select few. Because access to justice is not simply a legal issue, it shapes housing, employment, education, safety, opportunity, and everyday life. It affects everyone.

Our events are designed to do more than fill a room. They create spaces where ideas are exchanged, relationships are built, and people leave more informed, connected, and empowered than when they arrived. By partnering with Access 2 Justice, you are not only supporting events. You are helping build a city where knowledge is shared, communities are strengthened, and more people have the confidence to understand the systems that affect their lives.

JUSTICE RUN 2026

THE JUSTICE RUN

5K RUN • 1K WALK • RESOURCE FAIR • COMMUNITY BOOTHS

The Justice Run is A2J’s flagship community fundraiser, presented in partnership with Student Legal Assistance (SLA) from the University of Calgary Faculty of Law.

Taking place on October 17 (In recognition of Persons Day) the event will bring together students, professionals, families, businesses, and members of Calgary’s legal community for a 5K run, 1K community walk, and celebration in University District.

Our goals are to welcome up to 500 registered participants and raise \$50,000 in support of access-to-justice initiatives, legal literacy, and community programming.

Participants will be encouraged to fundraise through a range of incentives, including team and individual prizes, raffles, gift cards, sponsor-donated experiences, race awards, and a potential student scholarship of up to \$5,000.

The University District celebration will feature booths, sponsor activations, speakers, music, games, prizes, and family-friendly activities.

At its core, the Justice Run is about bringing the community and justice sector together, increasing awareness, and making conversations around law more visible, approachable, and meaningful.

05/09

2026-2027

HOW YOUR SUPPORT CREATES IMPACT

All net proceeds raised through the Justice Run — including donations, registrations, merchandise sales, and other event revenue — will be reinvested into access-to-justice work.

60% of net proceeds will be donated to nonprofit organizations and community initiatives advancing access to justice and legal literacy across Calgary.

The remaining **40% will support future A2J fundraisers**, educational programming, community events, and initiatives throughout the academic year.

Every contribution creates impact twice: supporting Calgary’s access-to-justice community today while helping A2J build lasting opportunities for tomorrow.

2026–2027 ANNUAL PARTNERSHIP OPPORTUNITIES

(Partnership for the whole school year)

BRAND VISIBILITY
Logo across event materials, website, and social media

COMMUNITY IMPACT
Support legal literacy and access to justice

MEANINGFUL PARTNERSHIP
Be part of a memorable event that creates change

Thank you for supporting justice.

The Community Supporter tier is designed specifically for organizations that want to support the A2J Justice Run. This is an event-based sponsorship that includes basic recognition connected to the Justice Run only.

This tier does not include year-round club benefits or recognition across other A2J initiatives.

The Founding Partner tier is distinct from Title Sponsorship. It represents a full academic-year commitment to the Undergraduate Access to Justice Club and supports the club’s broader mission, programming, events, community initiatives, and future growth throughout the 2026–2027 school year. Founding Partners receive year-round recognition and are positioned as long-term supporters of A2J—not simply sponsors of one event.

LET'S BUILD SOMETHING MEANINGFUL TOGETHER

JUSTICE BEGINS WITH KNOWLEDGE. COMMUNITIES BEGIN
WITH CONNECTION. CHANGE BEGINS WITH PARTNERSHIP.
